On January 15, 2010, our Board of Directors approved grants of restricted equity units and conditional shares to certain executives of the Company, as described below. Such grants are effective subject to, and conditional upon, the completion of the previously announced proposed initial public offering of Travelport Holdings (Jersey) Limited (to be re-registered as a public limited company and renamed Travelport plc), which is anticipated to become the parent company of Travelport Limited, to institutions in the United Kingdom and eligible institutional investors internationally (the "Offering").

The Board of Directors of TDS Investor (Cayman) L.P. (the "Partnership"), our ultimate parent company, approved the grants of restricted equity units ("REUs") to certain executives of the Company pursuant to the TDS Investor (Cayman) L.P. Fourth Amended and Restated 2006 Interest Plan (the "Interest Plan"), the Sixth Amended and Restated Agreement of Exempted Limited Partnership in respect of the Partnership (the "Partnership Agreement") and the award agreements to be entered into among the Partnership and each executive (the "Award Agreements"). The REUs will be subject to one-year vesting, on the terms and conditions set forth in the Award Agreements.

The form of the Partnership Agreement was filed as Exhibit 10.28 to the Annual Report on Form 10-K filed by the Company on May 11, 2008. The form of the Interest Plan was filed as Exhibit 10.1 to the Quarterly Report on Form 10-Q filed by the Company for the quarter ended March 31, 2009. Bock, our Executive Vice President, Chief Administrative Officer and General Counsel – 447,822 REUs.

The Board also approved the grants of conditional share awards ("Conditional Shares") to certain executives of the Company to be issued under an incentive plan to be effectuated by Travelport Holdings (Jersey) Limited in connection with the Offering. The Conditional Shares will vest over a four-year period, based on the performance of the Travelport group, and on the terms and conditions to be set forth in award agreements governing the grants of such Conditional Shares. These grants currently are denominated in REU equivalents; however, the grants will be issued as Conditional Shares, and the conversion ratio between the REUs and the Conditional Shares will be established on the pricing of the Offering.
