

Now you can tailor
and brand multiple
booking websites to
suit each of your
customer segments

Introducing Galileo Online Travel Affiliate

Galileo Online Travel is a web-based booking tool for your customers, which can be branded and tailored to suit your agency.

If you're an agency with multiple brands or a travel company which manages bookings on a third party or social networking site, the latest version, **Galileo Online Travel Affiliate**, is the perfect solution. It not only enables each of your affiliate websites to be branded and configured to your business requirements, it also allows you to tailor each website to match the specific needs of your customer segments.

If you would like to know more about Galileo Online Travel Affiliate, please email Travelport at au@travelport.com or nz@travelport.com, and ask for one of our Account Managers to contact you.

What can Galileo Online Travel Affiliate do for you?

- **Increase your reach & revenue potential**
 - ✓ Give your customers what they want by tailoring your websites to appeal to them as a traveller group with specific needs and interests.
- **Save time & cost**
 - ✓ Through a single administration log-in, managing your multiple sites is simple and customisation is easy, saving you time and money!
- **Make more informed decisions**
 - ✓ Extensive reporting capabilities for each site means you can make better and more informed decisions about your business.
