AGENCIES USING E-PRICING HAVE A CONFIRMED COMPETITIVE ADVANTAGE

An international benchmarking study conducted by Topaz International, the world leader in airfare auditing, shows that Travelport e-Pricing finds the lowest available airfares worldwide. e-Pricing not only finds lowest fares more often than other products, nearly 60 percent of the time overall, but also generates an average saving of \$68.13 per ticket – substantial savings for consumers, corporations and the travel agencies that support them. The Topaz study tested the top 500 domestic and international city pairs across Asia Pacific, EMEA, North America and Latin America.
