

## About Travelport

Travelport (NYSE: TVPT) is a Travel Commerce Platform providing distribution, technology, payment and other solutions for the \$7 trillion global travel and tourism industry. We enable the world to search, share, buy and sell travel.

### Truly differentiated from our competitors

We believe that several aspects of our approach to travel commerce fundamentally differentiate us from our competitors. These include:

- **our focus on redefining air distribution and commerce**, enabling our airline customers to distribute all of their fares and ancillary services, and market them through the travel agency channel, exactly the way they choose.
- **our fast-growing Beyond Air portfolio**, including our industry-leading hotel content and our automated B2B payments solution with a large addressable market.
- **our emphasis on a value-based partnership approach** with travel providers and travel buyers alike, that allows us to increase the revenue and profitability of every segment sold.

### Travelport is comprised of:

**A Travel Commerce Platform** through which it facilitates travel commerce by connecting the world's leading travel providers with online and offline travel buyers in a proprietary business to business ("B2B") travel marketplace. In addition, Travelport has leveraged its domain expertise in the travel industry to design a pioneering B2B payment solution that addresses the needs of travel intermediaries to efficiently and securely settle travel transactions.

**Technology Services** through which it provides critical IT services to airlines, such as shopping, ticketing, departure control and other solutions, enabling them to focus on their core business competencies and reduce costs.
