

About Travelport

Travelport (NYSE: TVPT) is a Travel Commerce Platform providing distribution, technology, payment and other solutions for the \$7 trillion global travel and tourism industry. We enable the world to search, share, buy and sell travel.

Truly differentiated from our competitors

We believe that several aspects of our approach to travel commerce fundamentally differentiate us from our competitors. These include:

- **Our focus on redefining air distribution and commerce**, enabling our airline customers to distribute all of their fares and ancillary services, and market them through the travel agency channel, exactly the way they choose.
- **Our fast-growing Beyond Air portfolio**, including our industry-leading hotel content and our automated B2B payments solution with a large addressable market.
- **Our emphasis on a value-based partnership approach** with travel providers and travel buyers alike, that allows us to increase the revenue and profitability of every segment sold.

Travelport is comprised of:

A Travel Commerce Platform through which it facilitates travel commerce by connecting the world's leading travel providers with online and offline travel buyers in a proprietary business to business ("B2B") travel marketplace. In addition, Travelport has leveraged its domain expertise in the travel industry to design a pioneering B2B payment solution that addresses the needs of travel intermediaries to efficiently and securely settle travel transactions.

Technology Services through which it provides critical IT services to airlines, such as shopping, ticketing, departure control and other solutions, enabling them to focus on their core business competencies and reduce costs.
