

Al Faisaliah Travel and Tourism Company chooses Travelport

20 July 2014

Travelport, a leading travel commerce marketplace providing distribution, technology, payment and other solutions for the \$7 trillion global travel and tourism industry, and long-standing Worldspan distribution partner, Stargate Cyber Active Ltd, today announce a new agreement with Al Faisaliah Travel and Tourism Company, one of the fastest-growing travel agencies in Saudi Arabia. Under the agreement, Al Faisaliah Travel and Tourism Company will be able to access and book extensive travel content offered through Travelport's innovative travel commerce platform.

Riyadh-based Al Faisaliah Travel and Tourism Company was established in 2001 and has experienced phenomenal growth over the past decade to become one of the leading travel agencies in the region, now employing over 45 staff across ten retail outlets.

"It was extremely important for us to choose a technology provider that can fully deliver on our requirements to support this exciting period of growth," said Mr. Fayyaz Siddiqui, General Manager and Chief Operating Officer of Al Faisaliah Travel and Tourism Company. "We were impressed with the breadth of travel content Travelport delivers through their innovative platform and look forward to improving our productivity across the board."

Rabih Saab, Travelport's Managing Director for the Middle East, Africa and South Asia, comments, "I am delighted that Al Faisaliah Travel and Tourism Company have chosen Travelport as their technology partner and am confident that our global coverage and industry expertise will assist them in growing their business to the next level."

About Travelport

Travelport is the technology company which makes the experience of buying and managing travel continually better. It operates a travel commerce platform providing distribution, technology, payment and other solutions for the global travel and tourism industry. The company facilitates travel commerce by connecting the world's leading travel providers with online and offline travel buyers in a proprietary business-to-business (B2B) travel platform.

Travelport has a leading position in airline merchandising, hotel content and distribution, car rental, mobile commerce and B2B payment solutions. The company also provides IT services to airlines, such as shopping, ticketing, departure control and other solutions. With net revenue of over \$2.5 billion in 2018, Travelport is headquartered in Langley, U.K., has over 3,700 employees and is represented in approximately 180 countries and territories.
