

HotelAir renews and expands with Travelport

14 May 2014

Romania's leading B2B online portal provider strengthens agreement with Travelport

Travelport, a travel commerce marketplace providing distribution, technology, payment and other solutions for the \$7 trillion global travel and tourism industry, has today announced a new agreement with HotelAir, operator of one of the fastest growing B2B booking tools in Romania. As part of the new multi-year agreement, HotelAir will also become a local source of hotel content for Travelport's unrivalled hotel booking engine, Travelport Rooms and More™.

"As a result of working with Travelport for over five years, we have consistently grown our business during this time," said Ioannis Ioannidis CEO, Hotelair. "The most successful business relationships are built on trust and we have no doubt that working with Travelport will continue to deliver excellent results for us."

Marcin Pilarski, Travelport's Managing Director, Eastern Europe, added: "Hotelair has built a strong reputation in Romania and beyond, and we are delighted to be their chosen technology partner. Our customers across the region tell us that our content and technology is the best available and significant renewals such as this clearly demonstrate that."

About Travelport

Travelport is the technology company which makes the experience of buying and managing travel continually better. It operates a travel commerce platform providing distribution, technology, payment and other solutions for the global travel and tourism industry. The company facilitates travel commerce by connecting the world's leading travel providers with online and offline travel buyers in a proprietary business-to-business (B2B) travel platform.

Travelport has a leading position in airline merchandising, hotel content and distribution, car rental, mobile commerce and B2B payment solutions. The company also provides IT services to airlines, such as shopping, ticketing, departure control and other solutions. With net revenue of over \$2.5 billion in 2018, Travelport is headquartered in Langley, U.K., has over 3,700 employees and is represented in approximately 180 countries and territories.

About Hotelair International (www.hotelair.eu)

HOTELAIR was established in Romania in 2001 to bring to the local market competitive prices and services, to make the difference in day-to-day travel operations. Over the past 13 years Hotelair has succeeded by generating consistent growth and was among the first companies in Romania to be a retailer for the national carrier, TAROM for 2013. For us, tourism is more than a business! We strive to keep improving our standard of service and continuously expand into new markets and into new products. Our Vision is to become a key player in the Global Travel Industry!!!
