

Leading online travel agency Ezfly renews long-term agreement with Travelport

15 May 2014

Travelport, a travel commerce marketplace providing distribution, technology, payment and other solutions for the \$7 trillion global travel and tourism industry, and Ezfly, one of the largest and fastest growing online travel agencies (OTA) in Taiwan, have signed a new multi-year agreement extending their successful, 14-year partnership.

Ezfly has experienced unprecedented growth in the past two years with its online auto-ticketing and extension of corporate services. As part of the agreement, Travelport will continue to provide the Taiwan-based OTA with the latest travel technology and travel content as they expand their operations.

“We truly value the working relationship we have established with Travelport for the past 14 years. They have provided us with valuable expertise and insights and really understand the needs of our business. In turn this has enabled us to grow and be successful,” said Ming Chen, General Manager, IT, Ezfly.

Amber Lee, Country Manager, Taiwan, Travelport, said, “We are extremely pleased that Ezfly has chosen to work with us time and time again. This renewal is a testament to our commitment in delivering unrivalled content, service and technology for our customers.”

About Travelport

Travelport is the technology company which makes the experience of buying and managing travel continually better. It operates a travel commerce platform providing distribution, technology, payment and other solutions for the global travel and tourism industry. The company facilitates travel commerce by connecting the world’s leading travel providers with online and offline travel buyers in a proprietary business-to-business (B2B) travel platform.
