

Travelport's Galileo Vacations Adds GOGO Worldwide Vacations

16 September 2014

Canadian Travel Agents Now Have Direct Access to New Hotel Content and Sales Choices

ATLANTA, USA

Travelport, a leading Travel Commerce Platform providing distribution, technology, payment and other solutions for the \$7 trillion global travel and tourism industry, today announced a new agreement with industry-leading vacation package wholesaler GOGO Worldwide Vacations.

The agreement, available to Travelport-connected travel agents in Canada, gives agents seamless and instant access to all GOGO Worldwide Vacation's hotel package products and destination offerings.

For Canadian agents, direct access to GOGO Worldwide Vacations content from Travelport's popular Galileo Vacations product creates time-saving efficiencies and provides new sales opportunities for booking hotel packages to the world's most desirable vacation locations.

"GOGO Worldwide Vacations new relationship with Travelport's Galileo Vacations product creates new opportunities to put GOGO's premier products and services directly in front of travel agents across Canada," said Punam Pathak, president of GOGO Worldwide Vacations. "The Galileo Vacations system gives agents seamless access to GOGO's worldwide product at very attractive pricing, helping travel agents deliver more value and service to their customers."

"Agents today are looking for new ways to add value for their customers and to increase revenue opportunities for themselves," said Maurita Baker, general manager, Travelport Canada. "By now being able to access GOGO Worldwide Vacations from Travelport's already content-rich Galileo Vacations shopping and booking system, Travelport is enabling Canadian agents to achieve these results in a unique cost and time-effective manner."
