

Travelport Acquires Mobile Travel Technologies Ltd (MTT)

7 July 2015

Latest investment made to spearhead Travelport's mobile growth strategy

Mobile Travel Technologies Ltd. (MTT) is the leading mobile travel platform and mobile technology provider for airlines and travel companies with an extensive customer base across the global travel industry. MTT's Mobile Travel Platform and comprehensive mobile travel product set enables airlines and travel companies to deliver sophisticated mobile services to increasingly mobile centric customers who want to manage entire trips via mobile, from travel research and booking to planning and preparation, to in airport, in-flight and at destination services.

Voted Best Technology Provider at the 2014 Travolution Awards, MTT provides unrivalled travel industry experience, world-class mobile development, creative design and UX expertise. As a pioneer in mobile travel having first launched mobile bookings for airlines in 2006, MTT has remained a first mover in this space and its airline and other travel apps are now used by millions of travellers worldwide every day. MTT clients include Singapore Airlines, LATAM Airlines Group, easyJet, Saudia, BCD Travel, transavia.com of the Air France KLM Group and Flybe. ¹Gartner, Inc., Report: Cool Vendors in Travel and Hospitality, 2015, Venecia K Liu, May 28, 2015
