Travelport Announces New Agreement with Flight Centre Travel Group

2 July 2015

Langley, UK

Travelport (NYSE: TVPT), a leading Travel Commerce Platform providing distribution, technology, payment and other solutions for the \$8 trillion global travel and tourism industry, today announces that it has signed a new multi-year agreement with Australia-based Flight Centre Travel Group as one of their global distribution system providers.

The new deal represents a continuation of the relationship between the two organisations that spans more than two decades.

About Travelport

Travelport is the technology company which makes the experience of buying and managing travel continually better. It operates a travel commerce platform providing distribution, technology, payment and other solutions for the global travel and tourism industry. The company facilitates travel commerce by connecting the world's leading travel providers with online and offline travel buyers in a proprietary business-to-business (B2B) travel platform.

Travelport has a leading position in airline merchandising, hotel content and distribution, car rental, mobile commerce and B2B payment solutions. The company also provides IT services to airlines, such as shopping, ticketing, departure control and other solutions. With net revenue of over \$2.5 billion in 2018, Travelport is headquartered in Langley, U.K., has over 3,700 employees and is represented in approximately 180 countries and territories.
