

Travelport Renews Agreement with Al Futtaim Travel

5 August 2015

Travelport, a leading Travel Commerce Platform providing distribution, technology, payment and other solutions for the \$8 trillion global travel and tourism industry, has today announced a renewal of multi-year agreement with Al Futtaim Travel, one of the largest travel agencies in the Gulf region.

Al Futtaim Travel is one of the leading and most forward thinking industry players in the GCC region with more than 30 years' experience in providing travel solutions. The agency specialises in corporate and leisure travel management and utilises a wide range of travel products to deliver a comprehensive service to even the most discerning customers.

The recent agreement provides Al Futtaim Travel agency with Travelport's leading technology, including the Travelport Universal API which provides access to a world of content and functionality through a single API connection by aggregating air, hotel, car, rail and merchandising content from multiple sources. The agency's customers will continue to have access to Travelport's unmatched travel content inventory which currently includes the ability to search, sell and book fares from approximately 400 airlines globally as well as browse through the industry-leading Travelport's beyond air content which includes over 650,000 hotel properties (both chain and independents).

Micky Bhatia-India, General Manager of Al Futtaim Travel commented: "We are pleased to have renewed our partnership with Travelport and are excited about the new developments that will arise from accessing Travelport's industry leading technology. Working with Travelport allows

us to continuously improve and enhance the tailor-made services we provide to our customers across the Gulf region.”

Rabih Saab, President and Managing Director of AFMESA added: “We are delighted that Al Futtaim Travel has recognised the value and demonstrated such strong confidence in Travelport’s offering. Travelport’s technology is ideally suited to fulfil Al Futtaim Travel’s business objectives and we are dedicated to supporting them in growing their presence in the region.”

About Travelport

Travelport is the technology company which makes the experience of buying and managing travel continually better. It operates a travel commerce platform providing distribution, technology, payment and other solutions for the global travel and tourism industry. The company facilitates travel commerce by connecting the world’s leading travel providers with online and offline travel buyers in a proprietary business-to-business (B2B) travel platform.

Travelport has a leading position in airline merchandising, hotel content and distribution, car rental, mobile commerce and B2B payment solutions. The company also provides IT services to airlines, such as shopping, ticketing, departure control and other solutions. With net revenue of over \$2.5 billion in 2018, Travelport is headquartered in Langley, U.K., has over 3,700 employees and is represented in approximately 180 countries and territories.
