

Travelport and OneTwoTrip to sign long-term agreement

9 September 2015

Travelport (NYSE:TVPT), a leading Travel Commerce Platform providing distribution, technology, payment and other solutions for the global travel and tourism industry, today announces a new multi-year and multi-national agreement with OneTwoTrip, the largest online travel agency in Russia and one of the largest industry players in Europe.

OneTwoTrip.com is an innovative travel booking website with a patented method of ticketing that saves travellers time and money. The company was established in 2011 in Moscow, and within several months of launching, reached the top spot in the Russian travel industry. Since its foundation, the company has expanded beyond Russia and currently serves millions of customers around the globe including the US, UK, Germany, Spain and Ukraine. OneTwoTrip's success is driven by offering a solid product, backed by user-friendly website and mobile Apps with a contemporary look and feel, which gives its users easy access to the global air and hotel content. Currently, digitally savvy travellers use OneTwoTrip.com to purchase over thousands of flights and hotel bookings daily to destinations all over the world.

The agreement will allow OneTwoTrip to process its travel bookings through Travelport's Travel Commerce Platform and provide its customers with access to Travelport's unmatched travel content. Both leisure and business travellers will be able to search and book flights from approximately 400 airlines globally, including low cost carriers as well as Travelport's industry-leading beyond air content which includes 650,000 hotel properties (both chain and independents).

Mikhail Sokolov, OneTwoTrip CEO commented: “Our team believes that there is a lot more that can be done to help travellers across the world to travel smarter, easier and faster and this new agreement with Travelport means we can now provide our customers with even greater choice and more competitive offers. We are excited about the new developments that will arise from accessing Travelport’s content and as the best flight booking experience is just the start, we look forward to driving growth for our business, also by increasing the revenue from non-air bookings.”

Maria Yakushkina, Travelport’s Country Manager in Russia added: “We are delighted that OneTwoTrip has demonstrated such a strong confidence in Travelport’s technology and sees the potential in the company’s unmatched travel content for its business. This agreement is tremendous news for Travelport and we are committed to supporting OneTwoTrip in its vision to deliver the best service possible to its customers.”

About OneTwoTrip

OneTwoTrip is a multi-product online travel agency, which offers air travel and hotel booking services. OneTwoTrip has an estimated number of 120 employees and an estimated annual gross booking exceeding \$500M. Unique selling points: additional information on flight delays and cancellations, aircraft age, legroom and many more. There is also information on baggage allowance and the visa requirements in the destination country.

All hotels available for booking on OneTwoTrip are rated based on guest reviews and in-house algorithm. Besides, customers are offered to see additional hotel details such as dates of construction and last renovation, photos made by hotel guests, panoramic views from the street and many more.

Flight and hotel booking is available on OneTwoTrip.com as well as via OneTwoTrip iOS and Android Apps.

About Travelport

Travelport is the technology company which makes the experience of buying and managing travel continually better. It operates a travel commerce platform providing distribution, technology, payment and other solutions for the global travel and tourism industry. The company facilitates travel commerce by connecting the world’s leading travel providers with online and offline travel buyers in a proprietary business-to-business (B2B) travel platform.

Travelport has a leading position in airline merchandising, hotel content and distribution, car rental, mobile commerce and B2B payment solutions. The company also provides IT services to airlines, such as shopping, ticketing, departure control and other solutions. With net revenue of over \$2.5 billion in 2018, Travelport is headquartered in Langley, U.K., has over 3,700 employees and is represented in approximately 180 countries and territories.
