

## Travelport and The Appointment Group agree new partnership

16 February 2015

Travelport (NYSE:TVPT), a leading Travel Commerce Platform providing distribution, technology, payment and other solutions for the \$7 trillion global travel and tourism industry, today announced a new multi-year deal with The Appointment Group (TAG).

TAG is an award-winning global, independent travel and event management company which tailors travel and events for high-end corporations, VIP individuals and luxury travelers. TAG will fully utilize Travelport's Travel Commerce Platform, gaining access to fares and ancillaries from the world's leading network and low cost carriers, the largest inventory of hotel properties on a travel platform in the world, car rental locations, rail and cruise-lines. Travelport's API will be feeding hotel content to TAG's award winning MaJic product and Travelport will be providing the company with its industry-renowned point of sale product, Travelport Smartpoint.

Ian Patterson, Joint Chief Operating Officer at TAG, said: "For over 25 years, TAG has been devoted to servicing the corporate travel demands of global organizations and bespoke luxury travel requirements for exclusive clientele. Our focus is on providing an exceptional service and we look forward to this new partnership with Travelport which allows us access to unrivalled travel content. This new deal will mean that we can offer a superior service to our customers and better meet the needs of our business."

Simon Ferguson, Managing Director UK and Ireland at Travelport, said: "Travelport recently awarded TAG with the Travelport innovation award, in association with the Guild of Travel Management Companies, following its creation of a global booking and reporting system called TAG Desktop and we are pleased to have agreed a new partnership with such a forward-thinking travel and event management company. We look forward to supporting TAG with its future innovations and developing a strong partnership for the future."

### About Travelport

Travelport is the technology company which makes the experience of buying and managing travel continually better. It operates a travel commerce platform providing distribution, technology, payment and other solutions for the global travel and tourism industry. The company facilitates travel commerce by connecting the world's leading travel providers with online and offline travel buyers in a proprietary business-to-business (B2B) travel platform.

Travelport has a leading position in airline merchandising, hotel content and distribution, car rental, mobile commerce and B2B payment solutions. The company also provides IT services to airlines, such as shopping, ticketing, departure control and other solutions. With net revenue of over \$2.5 billion in 2018, Travelport is headquartered in Langley, U.K., has over 3,700 employees and is represented in approximately 180 countries and territories.
