

Travelport announces renewed agreements with Al Tayyar Travel Group's Elegant Resorts and Clarity Travel Management in the UK

1 July 2015

Travelport, a leading Travel Commerce Platform providing distribution, technology, payment and other solutions for the \$8 trillion global travel and tourism industry, has today announced renewed agreements in the UK with Clarity Travel Management and Elegant Resorts, which are both part of the Al Tayyar Travel Group.

Travelport UK has worked with Elegant Resorts since July 2010 and Clarity Travel Management since before 2006. Following the renewed agreements, Clarity Travel Management and Elegant Resorts will continue to have access to Travelport's unrivalled travel content inventory, which includes fares and now ancillaries from the world's leading airlines including low cost carriers and over 650,000 hotel properties (of which 550,000 are independent hotel properties).

Clarity Travel Management will continue to use Travelport's industry leading merchandising and desktop technology, Travelport Smartpoint, as well as the company's Net Fare Manager, Queue Control Consol and Rapid Reprice products. Elegant Resorts will also continue to utilise Travelport Smartpoint and Net Fare Manager in conjunction with Galileo web services and Agency Private Fares.

Mohammed Khair Al Yabroudi, Director of GDS Affairs at Al Tayyar Travel Group, said: "The renewal agreement with Travelport will allow us to continue delivering an outstanding service to our customers. We are looking forward to continuing our partnership with Travelport which provides consistently superior and innovative technology solutions. We feel that in our continued collaboration with Travelport we meet the needs of our business."

Rabih Saab, President and Managing Director, Africa, Middle East and South Asia, Travelport, commented: "We are pleased that Elegant Resorts and Clarity Travel Management have extended agreements with Travelport. We look forward to continue working together and supporting their needs as modern travel management companies operating in a very competitive environment."

About Travelport

Travelport is the technology company which makes the experience of buying and managing travel continually better. It operates a travel commerce platform providing distribution, technology, payment and other solutions for the global travel and tourism industry. The company facilitates travel commerce by connecting the world's leading travel providers with online and offline travel buyers in a proprietary business-to-business (B2B) travel platform.

Travelport has a leading position in airline merchandising, hotel content and distribution, car rental, mobile commerce and B2B payment solutions. The company also provides IT services to airlines, such as shopping, ticketing, departure control and other solutions. With net revenue of over \$2.5 billion in 2018, Travelport is

headquartered in Langley, U.K., has over 3,700 employees and is represented in approximately 180 countries and territories.
