

## Travelport comes out on top at two prestigious industry awards in the Asia-Pacific region

4 October 2016

-Wins 'Best GDS' award for the 8th consecutive year at the TTG Travel Awards 2016 -  
Named 'Best Technology Supplier' by the New Zealand Travel Agents' Association

Travelport (NYSE:TVPT), a leading travel commerce platform, has recently been honoured with two prestigious travel industry awards across the Asia-Pacific region – 'Best GDS' at the TTG Travel Awards 2016 for the 8th consecutive year and 'Best Technology Supplier' at the Travel Agents Association of New Zealand's (TAANZ) National Travel Industry Awards (NTIA) 2016.

Winners of the TTG Travel Awards are voted by the readers of TTG Travel Trade Publishing, which consists of travel industry executives across the Asia-Pacific region.

TAANZ NTIA is a prestigious award that aims to recognise companies and individuals who have made significant contributions to the New Zealand travel industry. Winners were judged by an esteemed panel of judges selected for their amplitude of experience and industry knowledge. This is the second time that Travelport has won the Best Technology Supplier award from TAANZ, the first time being in 2014.

Mark Meehan, Managing Director, Asia-Pacific, Travelport, commented: "On behalf of Travelport and our Asia-Pacific team, we are thrilled to be honoured with both of these awards. I would like to personally thank all of our customers and partners across the region in recognising the value of our technology, innovation and service. These awards are a testament of our commitment in redefining travel commerce with our leading solutions such as Travelport

Smartpoint, our industry-leading merchandising solutions as well as our offering in hotels, digital and payments. Thank you again for your on-going support.”

## About Travelport

Travelport is the technology company which makes the experience of buying and managing travel continually better. It operates a travel commerce platform providing distribution, technology, payment and other solutions for the global travel and tourism industry. The company facilitates travel commerce by connecting the world’s leading travel providers with online and offline travel buyers in a proprietary business-to-business (B2B) travel platform.

Travelport has a leading position in airline merchandising, hotel content and distribution, car rental, mobile commerce and B2B payment solutions. The company also provides IT services to airlines, such as shopping, ticketing, departure control and other solutions. With net revenue of over \$2.5 billion in 2018, Travelport is headquartered in Langley, U.K., has over 3,700 employees and is represented in approximately 180 countries and territories.
