

Go4Travel and Travelport renew partnership to benefit Portugal's customers

26 April 2017

Travelport (NYSE: TVPT), a leading Travel Commerce Platform and **Go4Travel** have today announced a multiyear renewal agreement which will see the largest Portuguese group of travel agencies continue to deploy Travelport's platform and the widest choice of relevant content for travel buyers and consumers. Founded in November 2007, Go4Travel has a team of 700 professionals across 98 sales desks throughout the country, as well as the Azores and Madeira.

This renewed partnership, means that Go4Travel will also continue to adopt Travelport's industry leading point of sale solution, **Travelport Smartpoint**, as its agency desktop to book travel, work smarter and increase revenues. Smartpoint, which was recently enhanced to further accelerate agent efficiency, provides agents access to extensive travel content from over 400 airlines, including branded fares and ancillaries such as bags, meals or lounge passes from both network and low cost carriers. Go4Travel's team can also access via Travelport more than 650,000 hotels and 36,000 car rental distributors.

Vitor Filipe, President of Go4Travel commented: "This renewed partnership with Travelport is great news and strengthens the association between the two companies that began in 1994. We have enjoyed a close and trusting relationship with Travelport over the years, particularly with António Loureiro and Gordon Wilson, now CEO. We strongly believe that both companies will continue to achieve great results in the future together."

Antonio Loureiro, Regional Country Manager at Travelport Portugal said: "We are thrilled that GO4travel have chosen Travelport again as its travel technology partner. As one of our key

customers in Portugal, we look forward to working closely with the team to help it to continue to offer the most informed, competitive and unrivalled services to corporate and leisure customers in Portugal.”

About Travelport

Travelport is the technology company which makes the experience of buying and managing travel continually better. It operates a travel commerce platform providing distribution, technology, payment and other solutions for the global travel and tourism industry. The company facilitates travel commerce by connecting the world’s leading travel providers with online and offline travel buyers in a proprietary business-to-business (B2B) travel platform.

Travelport has a leading position in airline merchandising, hotel content and distribution, car rental, mobile commerce and B2B payment solutions. The company also provides IT services to airlines, such as shopping, ticketing, departure control and other solutions. With net revenue of over \$2.5 billion in 2018, Travelport is headquartered in Langley, U.K., has over 3,700 employees and is represented in approximately 180 countries and territories.

About Go4Travel

Go4travel consists of 41 shareholders from recognized and experienced travel agencies on the national market and has 95 sales desks throughout the country, including the Azores and Madeira, with a team of 700 qualified professionals. Every travel agency is accredited by IATA, with a total of 65 accreditations. Go4travel, owned by Elocit – Agência e Viagens e Turismo, S.A., was incorporated on November 20th, 2007, with the unique legal person and registration number 508314925, registered at the Commercial Registry Office of Lisbon and with a registered capital amounting to 467.040,00 euros.

Go4travel is assumed today as the largest travel and tourism group in Portugal, which infers compelling market conditions and consequently the best offer for its customers.

Key Functions:

Representation of shareholders with partners, suppliers, state and major industry associations; Establishing strategic partnerships and negotiating trade agreements; Monitoring of production indicators and contract management;

Implementation of cutting-edge technology solutions; Promoting excellence of shareholder services; Managing Go4Travel's representation on the market.
