Spanish travel wholesaler GrupoCDV and Travelport extend their partnership

3 July 2017

Travelport (NYSE:TVPT), a leading Travel Commerce Platform, and GrupoCDV have announced a new long-term agreement which sees the group continue to access Travelport's unrivalled choice of travel content. Alicante-based travel wholesaler GrupoCDV provides air fares, hotel, tickets and tours as well as car transfers around the world to travel agencies in Spain.

As part of the agreement, GrupoCDV and connected travel agencies will continue to benefit from intelligent, fast, and accurate searching and booking through Travelport's Universal API technology. Providing access to a world of travel content and functionality through a single API connection, GrupoCDV can now aggregate expansive content from multiple sources, including; low cost carriers, unique hotel properties, branded fares and ancillary services, car and rail. Offering its customers an improved level of detail and choice so they can better compare and understand an airline's full offering.

Juanfran Trasmonte, CEO of GrupoCDV, commented: "We are delighted to continue working with Travelport's team. This renewal will boost our growth in Spain as we continue to implement branded fares and ancillaries so connected travel agencies can offer more travel choice and personalised experiences to travelers."

Matías Sabaté, Sales Manager of Travelport Spain, added: "This renewal proves that our innovative technology combined with the widest choice of travel content helps our customers to maintain their leadership by delivering more valuable choice to the traveler. We are delighted

that GrupoCDV relies on Travelport as its technology and content partner and I am confident our partnership will help drive its business and its brand even further."
