

Travelport and Nesma Airlines announce new, long term agreement

26 April 2017

Travelport (NYSE: TVPT), a leading Travel Commerce Platform and Nesma Airlines have announced the signing of a new, multi-year, full content agreement. Nesma Airlines is headquartered in Cairo, Egypt and is a member of the Kingdom of Saudi Arabia's Nesma Group. Nesma Airlines operates scheduled domestic flights within Saudi Arabia as well as international regional flights.

Based on the new agreement Nesma Airlines' full content, including its branded fares and ancillaries will now be available to over 68,000 Travelport-connected travel agencies in over 180 countries across the globe. As part of the agreement, the airline also joins a network of over 200 airlines live on Travelport's merchandising technology for airlines, Travelport Rich Content and Branding. This means that the airline will now be able to more effectively promote the full range of its products and services to travel agents using images and graphics. The technology offers greater potential for agents to upsell the airline's products and services. Nesma Airlines is also set to leverage Travelport's Tailored Offers capability which helps airlines drive additional revenues per seat.

Ashraf Lamoum, Chief Executive Officer at Nesma Airlines said: "This new agreement with Travelport will help us to improve our customer service, expand our presence both domestically and overseas, and satisfy our customers personalized travel requirements. Travelport's unique industry leading Travel Commerce Platform's is redefining our industry we are pleased to leverage the technology to expand our presence and reach new travellers worldwide."

Philip Saunders, Vice President, Air Commerce, Europe, Middle East and Africa, Travelport commented: “We’re delighted to announce this new agreement with Nesma Airlines. We look forward to supporting the airline drive growth and connect to new travellers through the power of our unique platform.”

About Travelport

Travelport is the technology company which makes the experience of buying and managing travel continually better. It operates a travel commerce platform providing distribution, technology, payment and other solutions for the global travel and tourism industry. The company facilitates travel commerce by connecting the world’s leading travel providers with online and offline travel buyers in a proprietary business-to-business (B2B) travel platform.

Travelport has a leading position in airline merchandising, hotel content and distribution, car rental, mobile commerce and B2B payment solutions. The company also provides IT services to airlines, such as shopping, ticketing, departure control and other solutions. With net revenue of over \$2.5 billion in 2018, Travelport is headquartered in Langley, U.K., has over 3,700 employees and is represented in approximately 180 countries and territories.
