

## Travelport confirms appointment of Jasmeen Kaur as Head of Product & Solutions in Europe Middle East and Africa

27 March 2017

**Travelport** (NYSE: TVPT), a leading Travel Commerce Platform, has today announced the appointment of Jasmeen Kaur in the role of Head of Product and Solutions EMEA. Formerly Director of Regional Product & Strategy for Northern Europe, Jasmeen is now responsible for providing product support & technical solutions and consultancy to the commercial teams across EMEA. With a focus on product prioritization and delivery of product development and planning for future customer needs, Jasmeen will also work with and deliver on customer expectations.

With over twenty years of professional experience in the travel industry, she has held several senior management positions and joined Travelport in 2012. Prior to joining Travelport, Jasmeen was Director of Revenue Generation of EMEA at Pegasus and her professional experiences have made her a seasoned travel industry professional focused on building and developing result focused teams.

Jasmeen commented: "I am thrilled to have been given this fantastic opportunity to join the Travelport EMEA leadership team; to lead a passionate and resourceful team with a customer centric drive. Travelport has demonstrated real leadership and innovation in the industry in transforming the traditional distribution platform into a Travel Commerce Platform for online and offline travel agencies. Product, partnerships, consultancy and development are key strategic areas of focus for Travelport to offer a tailored service to meet the consumer business

requirements and optimize the platform to maximize return on investment with higher conversion and yield.”

Rabih Saab, President and Managing Director for Europe, Africa, Middle East and South Asia at Travelport commented: “We are delighted with Jasmeen Kaur’s appointment to the role of Head of Product & Solutions for EMEA. With her strong, exemplary performance, I am confident that Jasmeen will further drive Travelport’s vision to connect our customers to a world of travel choice while supporting the growth of our businesses in EMEA.”

## About Travelport

Travelport is the technology company which makes the experience of buying and managing travel continually better. It operates a travel commerce platform providing distribution, technology, payment and other solutions for the global travel and tourism industry. The company facilitates travel commerce by connecting the world’s leading travel providers with online and offline travel buyers in a proprietary business-to-business (B2B) travel platform.

Travelport has a leading position in airline merchandising, hotel content and distribution, car rental, mobile commerce and B2B payment solutions. The company also provides IT services to airlines, such as shopping, ticketing, departure control and other solutions. With net revenue of over \$2.5 billion in 2018, Travelport is headquartered in Langley, U.K., has over 3,700 employees and is represented in approximately 180 countries and territories.
