

Travelport expands multiyear partnership with fast-growing Czech OTA, Kiwi.com

15 August 2017

Travelport (NYSE: TVPT), a leading Travel Commerce Platform has today announced the extension of its partnership with [Kiwi.com](#), a rapidly growing Czech- based online travel agency (OTA). Kiwi.com began operations in 2012, and has become one of the most promising European online airline ticket retailers. Developing a unique search algorithm, Kiwi.com combines flights from various carriers -competitors or not- to create bespoke travel offers.

Kiwi.com’s personalised, multi-carrier itineraries demand huge volumes of search and data processing. Travelport’s universal API has been key to simplifying their distribution, resulting in significant cost reduction. With eStreaming API, Kiwi.com’s agents can obtain and analyze content quicker than ever.

Oliver Dlouhý, CEO, Kiwi.com commented: “The continuation of our agreement with Travelport marks how impactful Travelport’s industry-leading technology has been for our business over the last year. Their great merchandizing capabilities will continue to reinforce our business operations and support our constantly growing presence in Europe and overseas.”

Gavin Teale, Managing Director Eastern Europe, Travelport commented: “Our extended partnership with Kiwi.com highlights the way both businesses embrace technology innovation in the travel industry. Kiwi.com possesses an exceptional value proposition, and with their spectacular revenue growth, we’re looking forward to seeing them benefiting from Travelport’s technology and global content and maximize their growth, as Travelport continues to enhance its solid presence in the region.”

About Kiwi.com

Kiwi.com was set up by CEO Oliver Dlouhy in 2012 in order to provide great value flight itineraries and combinations, with sites serving global customers with 24/7 support. The company sees over 50 million flight searches daily and employs over 1400 people.

The site makes air travel affordable and easy, allowing consumers to book individual flights to complete flight itineraries across multiple airlines, both low cost and full-service carriers in a straightforward and cost-effective way.

Kiwi.com issues boarding passes directly to customers, and offers an unrivalled guarantee which protects customers from flight delays, cancellations and scheduling changes.

About Travelport

Travelport is the technology company which makes the experience of buying and managing travel continually better. It operates a travel commerce platform providing distribution, technology, payment and other solutions for the global travel and tourism industry. The company facilitates travel commerce by connecting the world's leading travel providers with online and offline travel buyers in a proprietary business-to-business (B2B) travel platform.

Travelport has a leading position in airline merchandising, hotel content and distribution, car rental, mobile commerce and B2B payment solutions. The company also provides IT services to airlines, such as shopping, ticketing, departure control and other solutions. With net revenue of over \$2.5 billion in 2018, Travelport is headquartered in Langley, U.K., has over 3,700 employees and is represented in approximately 180 countries and territories.
