

Travelport wins at the TTG Travel Awards for ninth consecutive year

29 September 2017

Travelport (NYSE: TVPT), a leading travel commerce platform was awarded ‘Best GDS (Global Distribution System)’ at the 28th Annual TTG Travel Awards 2017 gala event, held at the Centara Grand & Bangkok Convention Centre in Thailand, last night. This year marks the ninth consecutive year, Travelport has won this prestigious accolade.

Mark Meehan, Managing Director Asia Pacific, who accepted the award on behalf of Travelport commented, “I am delighted to accept this award on behalf of our hardworking and dedicated team in Asia Pacific. It has been a tremendous year for the region as we continue to deliver industry-leading technology to our customers.”

“Thank you to our customers and partners for recognising the value of our technology. This award is testament to our investment in innovation and customer centric solutions. The Asia Pacific region continues to lead the growth for Travelport globally, with our regional team constantly striving to deliver superior connectivity, richer content and relevant searches for our customers. We recognise the need to ensure a frictionless travel experience for everyone. As a GDS that has evolved to become a travel commerce platform, Travelport is committed to partnering with our customers to create a personalised experience and value for the end traveller in every part of their journey, added Meehan.”

Asia Pacific will continue to be a strong focus for Travelport. The International Air Transport Association (IATA) forecasts that the biggest driver of demand for passenger growth globally, will be from this region, and that it will include four out of the five fastest-growing markets.^[1]

The TTG Travel Awards enables the travel community from Asia Pacific to recognise the efforts of their favourite companies using an online voting system. Travelport is proud to have received the 'Best GDS' award since 2009.

About Travelport

Travelport is the technology company which makes the experience of buying and managing travel continually better. It operates a travel commerce platform providing distribution, technology, payment and other solutions for the global travel and tourism industry. The company facilitates travel commerce by connecting the world's leading travel providers with online and offline travel buyers in a proprietary business-to-business (B2B) travel platform.

Travelport has a leading position in airline merchandising, hotel content and distribution, car rental, mobile commerce and B2B payment solutions. The company also provides IT services to airlines, such as shopping, ticketing, departure control and other solutions. With net revenue of over \$2.5 billion in 2018, Travelport is headquartered in Langley, U.K., has over 3,700 employees and is represented in approximately 180 countries and territories.
